

1887 Washington Territorial Census of Island County

Transcribed in 1998 by Ralph L. Seefeld for the Genealogical Society of South Whidbey Island from the original enumeration book located at the Island County Historical Society, Coupeville, Washington.
Copyright 1999, Genealogical Society of South Whidbey Island

Pages after page 25 in the original book were not numbered, however, numbering has been continued for this list. Three pages between pages 26 and 27 had been removed from the book and are missing. On many pages, the blanks at the top of the page were not filled in by the enumerator. Written on the inside of the front cover of the enumeration book was: "Filed in Auditor's office by Jos. C. Power, assessor, August 9th, 1887. (Signed) J. B. Libbey, Co. auditor, Island Co. Wash. Terr."

There is no guarantee as to the accuracy of this transcription. The hand-writing of the enumerator is sometimes difficult to read. Where there is doubt about a word a question mark has been inserted. Although this transcription has been double checked, errors may still exist. Findings here should be checked with the original for confirmation.
