

## 1892 Census of Island County, Washington

Transcribed in 1998 by Ralph L. Seefeld from the original enumeration books located at the Island County Historical Society, Coupeville, Washington.

Copyright 1999, Genealogical Society of South Whidbey Island

This census used two enumeration books of 24 pages each for Island County. The pages were unnumbered, but this transcription has numbered them consecutively from beginning to end. Written on the inside cover of each book was the following identical message:

Filed in Auditors Office of Island County, Washington.

by John F. Dougherty, Assessor, June 22, 1892.

J. B. Libbey, County Auditor

By C. P. Dyer, Deputy

There is no guarantee as to the accuracy of this transcription. The handwriting of the enumerator is sometimes difficult to read. Where there is doubt about a word, a question mark has been inserted. Although this transcription has been double checked, errors may still exist. Findings here should be checked with the original for confirmation.
