To Our Community Business Leaders and Fair Enthusiasts,

For 82 years, the Island County Fair has showcased the best of Island County — its people, products, produce, hobbies and activities. Every year, we gather to celebrate our united sense of community, learn something new, have some fun, share music, laughter and the special camaraderie we enjoy here on Whidbey Island.

Our Fair is truly a collective effort.

In the past, your company has helped produce the Premium List distributed to all exhibitors by placing an ad in the book. We appreciate your sponsorship and hope you have seen resultant increased business and goodwill.

While the newspaper produced the guide the past two years, the Fair Association will self-produce the 2007 version. We hope you will continue to support the Fair and the community through this publication. Enclosed is an ad sizing price sheet, and you may be assured that our rates remain a bargain in today's market.

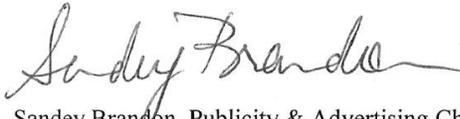

Should you desire a different type of exposure, we have other partnering opportunities as well, and welcome the opportunity to discuss them with you.

Whatever your level of support, we appreciate all you have done in the past and whatever you may do in the future that allows us to host the Island's biggest summer gathering. Since the Island County Fair is primarily an all-volunteer effort, we volunteers thank you for helping us put on our *old-fashioned county fair!*

Please contact me, Gwendy Hastings or Barbara Pearson with any questions you may have.

Fairs are great ... *participate!*

Sincerely,

Sandey Brandon, Publicity & Advertising Chairman
